

VISITORS MEET LULUS TODAY AT ATHLETIC PARK

Tomorrow afternoon Floyd Brown, the big righthander of the Santa Clara team, will oppose the Chinese at Athletic park. Luck Yee or Hoon Ki will oppose the Missionites. This game should bring out a good battle if the Chinese squad can play the ball that they have exhibited during the series past, with the exception of last Sunday's booting error.

The local boys will have a number of good players to oppose the visitors and there is expected to be a banner crowd out at the park. The Santa Clara squad may be slight favorites but the Chinese players are a heady bunch and are working hard all the time. Capt. Kan Yea will have the best lineup possible, and may go behind the bat in tomorrow's contest. Ah Lee at first, Kai Luke at second and Lang Akana and En Sue in the outfield make up a strong combination.

Santa Clara has the Honolulus as the first opponent this afternoon, and the visitors should be the favorites. It will be a game in which the fans will have an opportunity to get a line on the strength of the teams. Capt. Henry Buehnell has been handicapped but has strengthened his team with two players in the infield, but still the lineup does not look strong enough to warrant their being favorites. If the Santa Clara team does not win from the Lulus by six runs, they will not be favorites against the 25th Infantry when they meet.

The Santa Clara boys have proved to be gentlemanly fellows, and the majority of them in the recent controversy between the Oahn League and Junior league said: "Give the boys a chance." This move is certain to make them popular with the fans.

Baseball Hopefuls

Baseball has an excellent chance to get back in the good graces of the fans, and everything was pointed that way until a few of the Oahu League officials got to grunting about the Juniors making such a showing. Despite the protests of one or two, the Juniors will be playing ball very soon, and the fans will be coming out, notwithstanding the efforts to kill baseball by some pretended friend of boosting the game. The Juniors will be out to the games, and boosting. That is, unless the Oahu League cuts out their admission tickets.

Everything that can be done has been done to make the meet tonight at the Y. M. C. A. the classiest contest yet staged by the local association. The talent has been entered, the officials are being secured, even the ticket booth, all decorated, and from which will emerge the necessary door slips, has been made to stand in the front lobby.

The first event will be called promptly at 8 o'clock, and from then on each event will follow in close order. There are to be no waits, for the races are sandwiched with novelty and semi-racing events which give the racers the necessary time for resting.

The admission for tonight's events is only 25 cents. This goes to covering the actual expenses of the meet, as handsome prize cups are being awarded the first places in the 50 yard, the 100 yard, the 440 and the 100 yard backstroke.

The mile walking race between C. D. Luce of the battery department of the Schuman Carriage Company, and H. M. Ayres, the erstwhile mile record holder, will take place at the Kapiolani Park track at 11 o'clock tomorrow morning. The stakes are \$25 a side.

There will be a special meeting of the Myrtle Boat Club at the boathouse tomorrow morning at 9 o'clock. Several matters of importance will be discussed and all members are earnestly requested to attend.

**Regatta and Baseball Will Be
Big Features of Excursion;
Three Days' Trip, \$15**

"The Special Excursion to Hilo for the 4th of July festivities is certainly going great guns," said L. W. The Vice President this morning. "There is not the slightest doubt that the splendid program offered by the progressive Crescent City is drawing a great crowd, and the Inter-Island Company reports record bookings. It does not appear to be clearly understood, however, that the festivities are not confined to the one day; even for those who do not take advantage of the specially reduced rate to the Volcano, there will be plenty of amusement, for on the Sunday there will be a big baseball game between the local organization and a crack aggregation from the U. S. Army. There will also be a concert by the splendid band of the 2nd Infantry, either in the afternoon or evening. I am not quite sure which, as yet. Then on the Monday there will be an opportunity to make the magnificent scenic run over the Hamakua extension line to Paauilo, returning to Hilo in time for the return baseball game and the second concert. The coastal trip is now at its very best, for the recent rains have freshened everything up, and the succession of glorious gulches crossed by the road has never been more beautiful, so I strongly advise all who go over to make this trip. An excellent lunch is served at Paauilo on arrival, and the whole run is a delightful experience.

"On the Monday evening there is the great ball in the Armory, and this will certainly eclipse anything of the sort ever attempted in Hilo. In fact, Hilo has gotten together a celebration which will do real honor to the great occasion, and which will be long remembered by all who participate in it. The \$15.00 return fare with an extra day's stopover was a great concession on the part of the steamship people, and it is gratifying to find that so large a crowd is taking advantage of the exceptional opportunity."

This morning the Young Giants won a ten inning game of indoor baseball from the Junior Americans. The game was a regular pitchers' battle right through, and was finally won by Leo de Roo. Knell, who heaved for the Americans, pitched great ball, although hit a trifle harder than de Roo. Last week Leo de Roo won another close game from Knell, the score being 4 to 3. Today's score was 3 to 2.

One of the big features of the Independence celebration on Oahu will be the regatta at Pearl Harbor on July 4 under the auspices of the Hawaii Rowing Association. Entries will be made by the Myrtles, Honolulu

In former years these races at Pearl Harbor were held in shells. This year the clubs will use their barges. All of the clubs have crews working hard under the supervision of their respective captains: Charles Brown for the Healanies, George Crozier for the Myrtles and William L. Lyde for the Honolulu.

There will be a cutter race between the U. S. Alert and Navajo. The regatta committee is endeavoring to have the entire division of submarines and the U. S. S. Alert anchor off the peninsula, on the Fourth. A special train will leave Honolulu at 9:30 o'clock in the morning. Tickets for the special train, including admission at the Peninsula, can be secured from any of the members or at the sporting department of E. O. Hall & Sons. The committee has announced the tickets at 75 cents. Those going by auto will be charged 50 cents admission.

Inasmuch as the program will continue both morning and afternoon arrangements have been made with the Sweet Shop to furnish sandwiches and lunches at the regulation prices. The program will consist of the following events:

Following events:

- Intermediate six-oared race, "A."
- Intermediate six-oared, "B."
- Pair oared race, "A."
- Pair oared race, "B."
- Scull race, "A."
- Scull race, "B."
- Six-oared barge race for boys under 20 years.
- 12-oared cutter race.

The Engineers were absent last evening at the bowling games at the armory. The committee announced that they would be given the following points:

M. Rodrigues, 3b.; Loo Son, c.f.; P. Corderio, s.s.; W. Eklund, 2b; P. Bento, 1b.; J. Travens, l.f.; J. Cortez, r.f.; M. Ornellas, p.; Ah Chong, r.f.; N. Nawaakoa, utility.

Featuring the above lineup in most of their games the Ewa team has been making a great record in the Sugar League, and are now leading the other teams in the circuit. Last Saturday the Ewa aggregation fell before the Aiea tossers, but another result is looked for in the next game.

Manuel Ornellas has been pitching good ball for the Ewa team, and in the game against the Aiea team he sent eight batters back to the shade via the strikeout route. He has been ably supported by Corderio, a good catcher and one of the best hitters on the team.

Bento at first base is a steady player, and has shown to form in games in Honolulu. William Eklund, baseball player, and tennis star of Hawaii, is on the diamond as he is on the courts, and his drives are not always handled by his opponents. His work with the bludgeon approached his success with the racquet. Rodriguez at third is a good lead-off man, and a quick thinker. Last Sunday he pulled off a pretty double play unassisted. Thomas at short stop can hit and field. He hammered Ross for a double and a single last Saturday. Loo Sun, Travens, Cortez and Ah Chong have been holding up the strength in good shape in the garden. Nawaakoa is one of the best pinch hitters in the league.

WAILUKU, Maui.—The Palama Settlement basket ball team will arrive by next Tuesday's Claudine for a return series of three games with the Wailuku Alexander House Settlement girls. The first game will be on Tuesday evening, and the others will be played on Wednesday and Thursday, unless the first two should be postponed by the same cause, in which case the last evening will be devoted exclusively to the dance. The Palama hope to recoup their defeat of two weeks ago in Honolulu, and with all of their strong players on hand they fully expect a different result. As the expense of bringing the Honolulu

The crews are taking their last trial spins before the big regatta at Hilo, and everything will be ready by Saturday afternoon when the Mauna Kea leaves for the Hawaii metropolis. Nearly every stateroom on the Mauna Kea is taken, and those who have been waiting before making reservations must hurry.

There is expected to be a big crowd and the Inter-Island Company expects to have a full booking with extra places for the passengers. There were only a few staterooms left this morning and the legends must speed up before going. Hilo is going to give a royal welcome to the Honolulu contingent.

Word has reached Honolulu that York and Gallagher, the former 1st Infantry battery, are working in the Kansas league with Newton. York is making a good showing, while Gallagher has been hammering the ball hard. Critics predicted that this pair would make good on the mainland.

American Boxer Wins Great 20-Round Bout From Dave Smith—Defeated Boxer Believes That Clabby in Condition Could Dispose of Les Darcy—Middleweights May Be Matched—Boxing and Racing Occupies Limelight in Sydney at Present

SYDNEY, Australia, May 31. The fight between Dave Smith and Jimmy Clabby (C. A.) in Sydney Stadium May 20, turned out one of the best combats seen in Australia for many months; probably a better middle-weight clash has not happened in the world for some time. Though it came fresh after the Darcy-Costica fiasco, it drew a huge crowd of fans, whose sympathies were strongly with the Australian. Dave Smith is a much better fighter than America in general believes him to be, his reputation in United States being mostly sustained by the many "knock-out" fights with McGoggy—a trashy history for the Australian. McGoggy has knocked him out three times—on two occasions in the first round. But Smith and Clabby have fought five battles. Jimmy has had the best of the sequence, for he once knocked Smith in

ford and Gunboat Smith, but postponed the date, saying that he wanted three months to prepare in. He started training and stopped it as soon as the right horse ran first past the post.

Only the reappearance, of Dave Smith drew Eddy from his chair in Easy-street. He called on Snowy Baker after the Smith-Clabby match and offered to fight the Australian. Maybe Eddie has figured that he really has that "Indian sign" on the Australian; and his record of three knock-outs is certainly a big moral advantage. However, no match has been made.

McAllister For Australia.

Bob McAllister has signed to come to Australia. There will be plenty of good fights for him here—with Darcy, Dave Smith, Clabby, Crouse, Fritz Holland, Mick King and so on.

At a meeting of the new shoemakers' Union in Worcester, Mass., a few days ago, several of the members of the union came to the hall in their own automobiles.

A strong, vigorous nervous system means health, strength and ability to endure hardship and also to enjoy the full pleasures of life.

The man with healthy nerves accomplishes greater tasks with less fatigue. He has a clear eye, an active brain and a sound body. He is enabled to think better and work faster. He has energy. With healthy nerves he can overcome the hardest competition, be successful and gain wealth.

The woman with healthy nerves is never listless, weak or hopeless; she is not irritable, she never suffers from hysteria, she has a reserved surplus of endurance. Healthy nerves will prevent the sleepless mother, although worn with care and nursing, from a "break down" caused by her double or treble duty.

All men and women who suffer from these forms of nervousness—known as Neurasthenia—who have "gone to pieces," who lack energy, who have insomnia, who have succumbed to nervous prostration or nervous exhaustion, either mental or physical, whose condition is one of irritable weakness, will find ready relief and cure in the peculiar properties of

(Formerly called Persiana Nerve Essence.)

These wonderful little tablets contain no narcotics or other injurious drug. They act like magic. The bright eyes, the elastic step, the clear and active brain, the courage and strength and comfort they impart are noted almost from the first day they are taken.

One box of Sensaperna will do a great deal of good. The full course of treatment of six boxes is guaranteed to give absolute satisfaction or the money will be refunded.
